Finance options

Australian Credit Acceptance - proudly recommended by Pinnacle Horse Floats

Are you looking for a better finance deal? A finance deal delivered without the jargon and carry on of the Banks and other Financial Institutions?....Well youve come to the right place...

For over 20 years Australian Credit Acceptance has been delivering on our promise to find our customers a better Finance deal, along with providing personalised service and common sense solutions.

Our Guarantee to You

We are so committed to satisfying our clients finance requirements that we offer a "No charge, No obligation Guarantee." If for whatever reason you are not completely satisfied, there is absolutely no charge or no obligation for you to proceed.

Service

At Australian Credit Acceptance we don't have any message services or answering machines, your Finance enquiry will be promptly handled by an experienced staff member. In fact the person who answers your call will generally handle your Loan Application from start to finish.

Experienced & qualified staff.

At Australian Credit Acceptance all of our Finance Consultants are fully qualified and kept up to date with ongoing training. You can have complete confidence in the fact that your finance application will be handled promptly and professionally by our experience staff.

Australian Credit Acceptance holds an independent Brokers license under the new NCCP licensing code.

A CPFBS (Certified Professional Finance Broker) held by managing director Ron James is the Australian workplace-based professional certification standard for entry and ongoing competence of professional practitioners in the Finance and Mortgage Broking industry.

The CPFBS gives Australian consumers the ability to check the standard of education, assessment and training of a professional. The national designation also assists in protecting Australian consumers from fraudulent behaviour in the industry.

Certification provides true, independent and professional recognition, enabling us to prove our continuing competence to our clients.

We work for you!

Not the banks or other lenders, it's our job to find you the best finance deal whilst also providing a hassle free service. If you're sick of waiting in queues, why not pick up the phone and talk to Australian Credit Acceptance, take advantage of our 7 day service by calling 1300 360 450 toll free, and remember our no obligation and no charge guarantee!
